

CAREERS

## JOIN A WINNING TEAM *BECAUSE POWER MATTERS™.*

Kelly Generator & Equipment, Inc. (KG&E) was founded in 1992 by John E. Kelly, Jr. John is a master electrician, served as EGSA president in 2011, and founding member of the EGSA technician certification committee. John has built KG&E from the ground up through his technical knowledge, hard work, and industry experience. John conducts business by applying the company values and leads his employees to do the same. KG&E's executive team is here to help manage, encourage, coach, and mentor you.

### OUR MISSION

KG&E strives to provide our customers with quick and professional solutions to their electrical power needs. KG&E operates on three solid principles: Ensure optimum quality in every product sold; professional, honest, straight-forward relationships with our customers; and superior service for the life of our products.

### OUR VISION

Our vision is to be the most respected vendor for comprehensive power solutions for our marketing area. Our employees are treated fairly and respectfully and are excited to be on our team. Our customers consider our service and commitment to be unparalleled.

### OUR VALUES

- 1 Operate With Integrity
- 2 Operate Safely
- 3 Operate Unselfishly
- 4 Achieve Excellence Through Teamwork
- 5 Have Fun

## IT'S NOT JUST A JOB, IT'S A CAREER.

### BE A PART OF THE KELLY TEAM

Kelly Generator & Equipment, Inc. believes that the best way to conduct a business is to hire talented people, provide them with technical training, and an environment of mutual respect and accountability.

If you are enthusiastic, talented, searching for an employer to deliver challenging work and the chance to build a career, Kelly Generator & Equipment, Inc. has the environment you've been looking for.

Kelly Generator & Equipment, Inc. believes in taking care of our employees and offers a comprehensive benefits package including medical, dental, vision, 401(k), profit sharing, PTO, paid holidays, and more.

### JOIN OUR TEAM

Kelly Generator & Equipment, Inc. offers rewarding career opportunities in the Mid Atlantic United States. We are seeking individuals who are motivated, team oriented, and have a personal drive for success.

Kelly Generator & Equipment, Inc. provides

- Empowering work environment
- Mentorship programs
- Industry leading tools, equipment, and processes
- Opportunity for career advancement

Kelly Generator & Equipment, Inc. is helping shape the market by bringing new advances in generator technologies. With our sustained growth, we offer two locations: our corporate facility in Owings, MD and our western Pennsylvania location in Coal Center, PA. Future growth will include a third location.

### EGSA TECHNICIAN CERTIFICATION

As part of its commitment to advancing professionalism within the On-Site Power industry, EGSA (Electrical Generating Systems Association) created the Electrical Generator Systems Technician Certification Program. KG&E fully supports EGSA and the Technician Certification program. KG&E is a proctor site for the EGSA Technician Certification test. KG&E currently employs Master Generator Technicians, one of which has served on the founding Technician Certification Committee.
